Truth, Justice, and the American Way

452

"Look up in the sky, it's a bird, it's a plane, no it's Superman".

Jim Untershine, GZS of LB, 08-11-01

DC Comics brought this icon into existence to instill in the reader the principles that are sacred to all Americans. These comics taught us more about the sacrifices that must be made to ensure that truth, justice, and the American way would never be compromised in this country. Although the superheroes had special powers that bordered on the supernatural, everyone can possess the focused resolve that drives us to embrace the challenge. The power each of us possess to turn back any threats to our way of life has been granted to us by the Constitution of this country.

Existentialist Friedrich Nietzsche brought us the first "ubermensch" (Superman), an individual in search of personal truth and morality. Henry David Thoreau personified Nietzsche's fictional character, and shared his life's experience in "Walden Pond". Thoreau was the author of "Resistance to Civil Government" (Civil Disobedience), which was his explanation for being imprisoned in his omission to pay taxes. ¹

Thoreau's teachings were taken seriously by the Danish resistance in the 1940's, the McCarthyism opposition in the 1950's, the Apartheid opposition in the 1960's, and anti-war activists in the 1970's. ¹ Currently Thoreau's existential philosophy is being followed to fight the oppression of heterosexual taxpayers in the state of California.

Thoreau started his lectures with the well-known motto - "That government is best which governs least". Thoreau mentions "Let every man make known what kind of government would command his respect, and that will be one step toward obtaining it". Thoreau asserts "If a person is truly in the right, he has God on his side and constitutes a majority of one". ¹

Ignorance of a law, which exists through ignorance of the Constitution or technology, is a true test of resolve, not a jailable offense.

**The stronger your resolve,
to defend the walls,
of your mighty kingdom;
the more unbearable the anguish,
to later find out,
it was in reality your prison.**

¹ Sanderson Beck

Truth, Justice, and the American Way II

Our mild mannered reporter seems to be twisting in the wind.

Identifying the problem is not enough to intimidate this threat to the American way.

How can he become Superman without a complainant?

The INDEPENDENT ENTITY in California is [Policy Studies Inc.](#) of Denver, Colorado.

PSI is conducting the review of the state's child support guideline for the judicial branch, while conducting the review of child support services accounting practices for the executive branch.

What can the media do to warn the legislative branch of the conspiracy?

Jim Untershine, GZS of LB, 08-19-01

SAY IT AIN'T SO!

The INDEPENDENT ENTITY has guided states to bite the hand that feeds them.

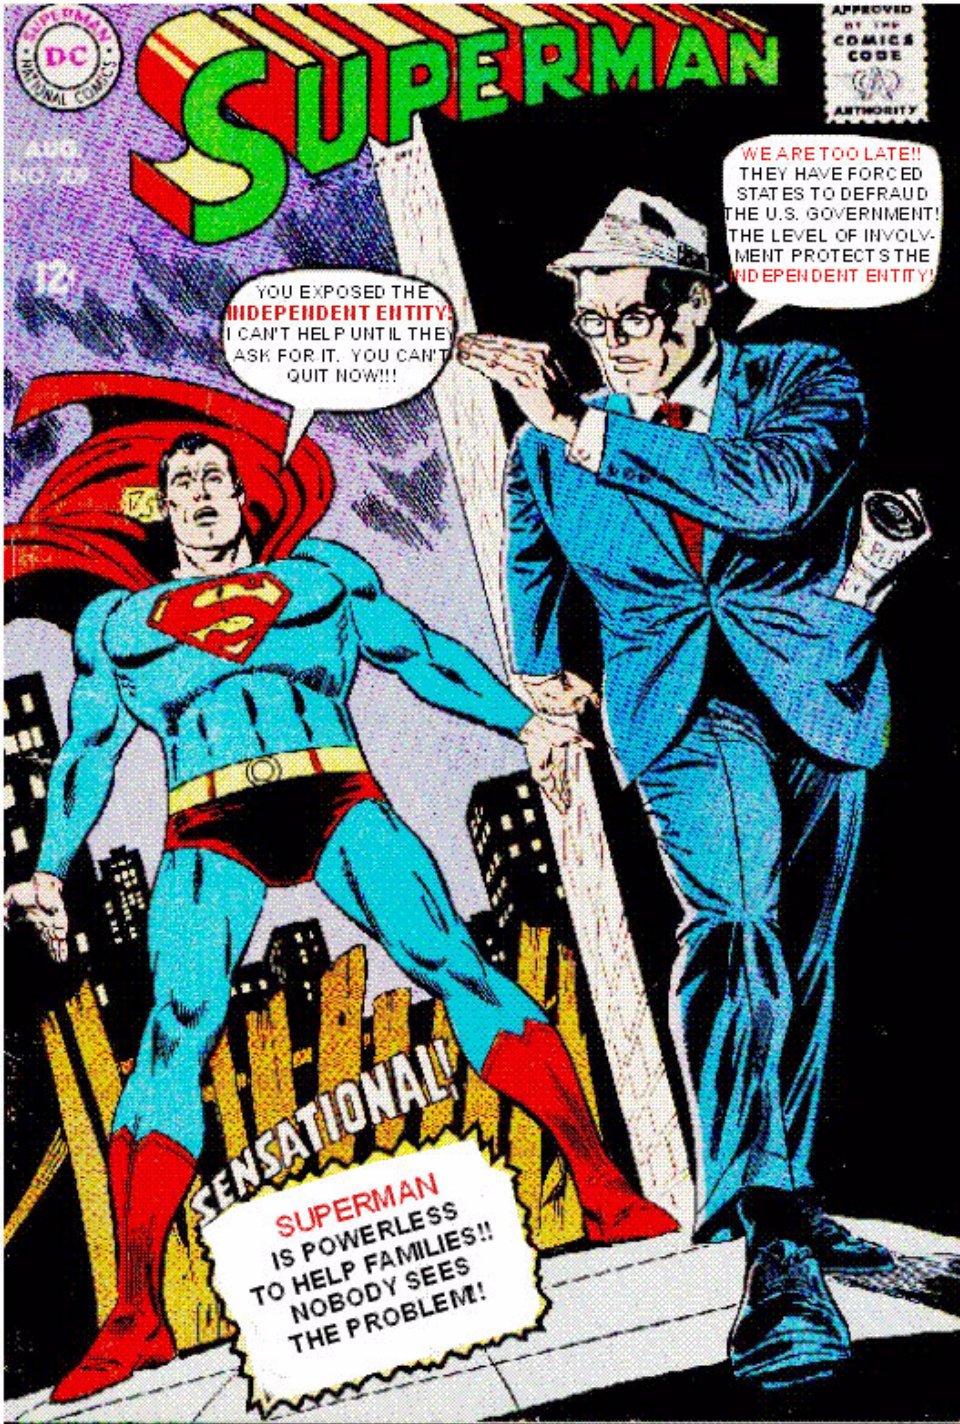

The family law attorneys are well paid to provide the illusion of due process before sentencing the non-custodial parent into financial insolvency.

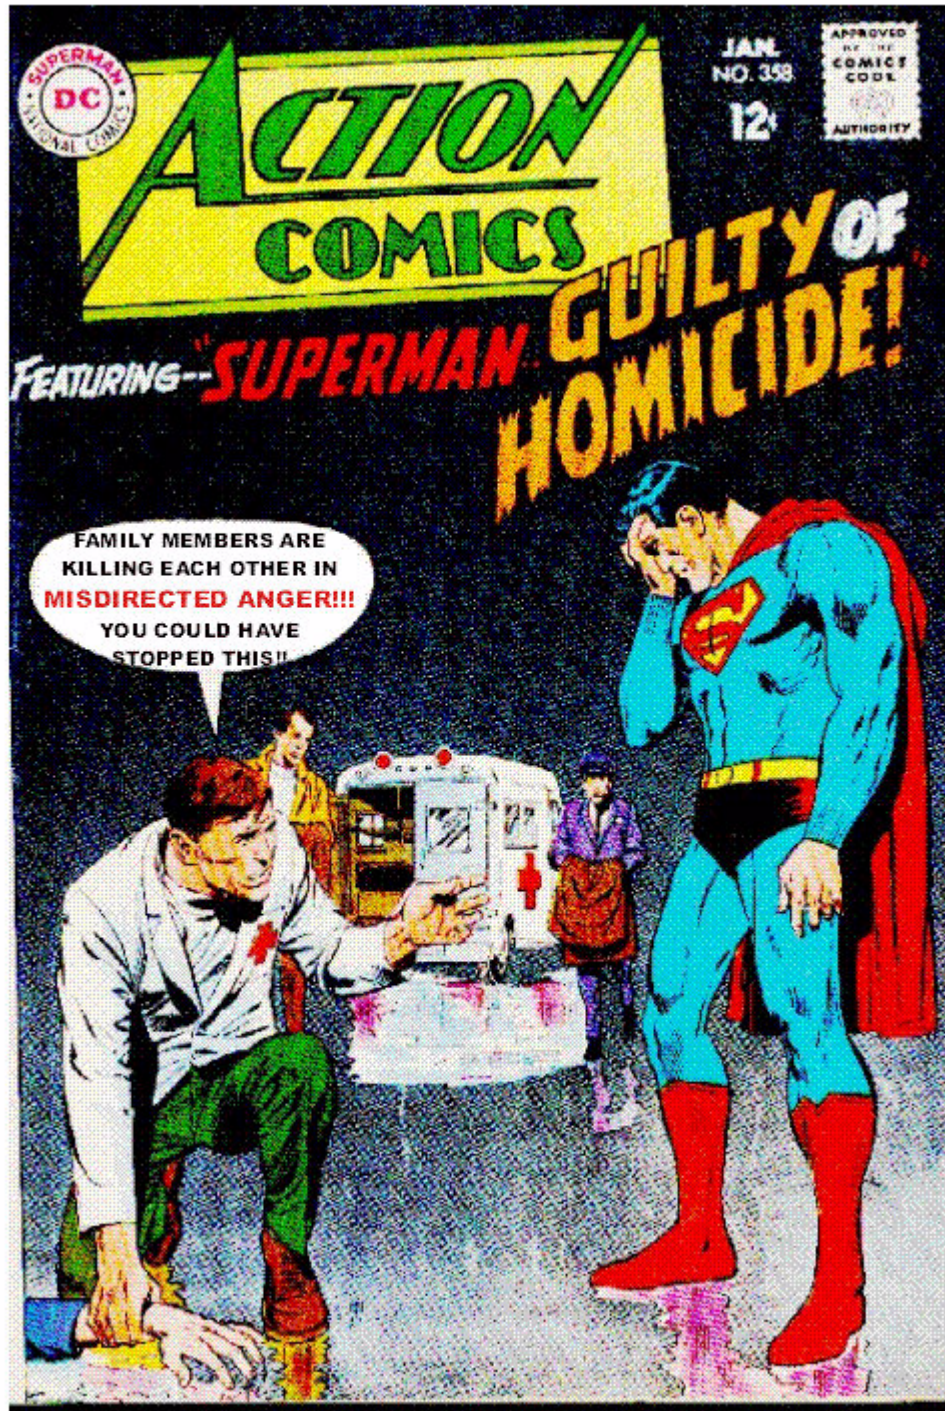

Child support enforcement won't see any money until the non-custodial parent falls behind in child support payments.

Defying court orders or filings for enforcement with other agencies, the state receives 70% of all back child support reported to the federal government.

The non-custodial parents who owe back child support are not pursued to allow this conspiracy to defraud the federal government to continue. Forcing them to court will only lead to a downward modification that will decrease the cash flow.

DETACHED FROM THE NATION, WE SLIP INTO OBLIVION.

Jim Untershine, GZS of LB, 08-27-01

The man of steel guilty of complicity?

41% of all child homicide victims in CA were killed by a family member.

43% of all female homicide victims in CA were killed by a family member.

21% of all female homicide victims in CA were killed by their spouse.

Family law provokes this misguided anger toward family members.

The sinister plan of The [INDEPENDENT ENTITY](#) unfolds before us!!

Jim Unterschine, GZS of LB, 09-01-01

Superman must be allowed to wash his hands of this diabolical manace.

The [INDEPENDENT ENTITY](#) will stop at nothing to destroy American families. They are paid to advise injustice in the name of our children.

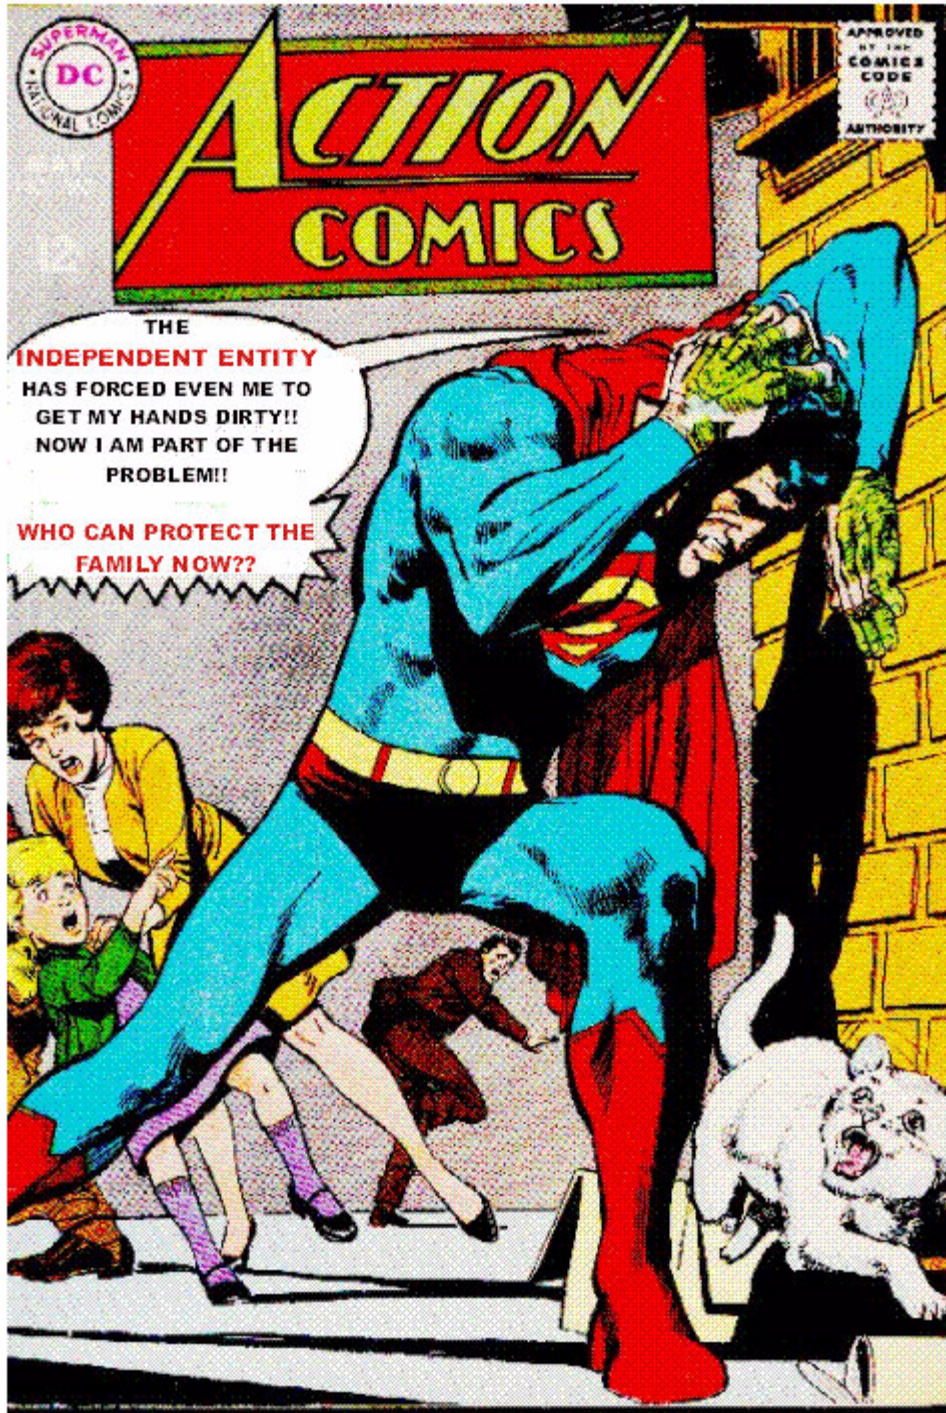

They are collecting a false profit by raising a false icon.

Complicity of a conspiracy to defraud the federal government invites legal liability.

Superman will never negotiate with TERRORISTS !!

Heterosexual taxpayers who dare to raise a family are being sold into indentured servitude.

Superman demands: **LET MY PEOPLE FREE !!**

Jim Untershine, GZS of LB, 09-13-01

The media can't walk away from this !!

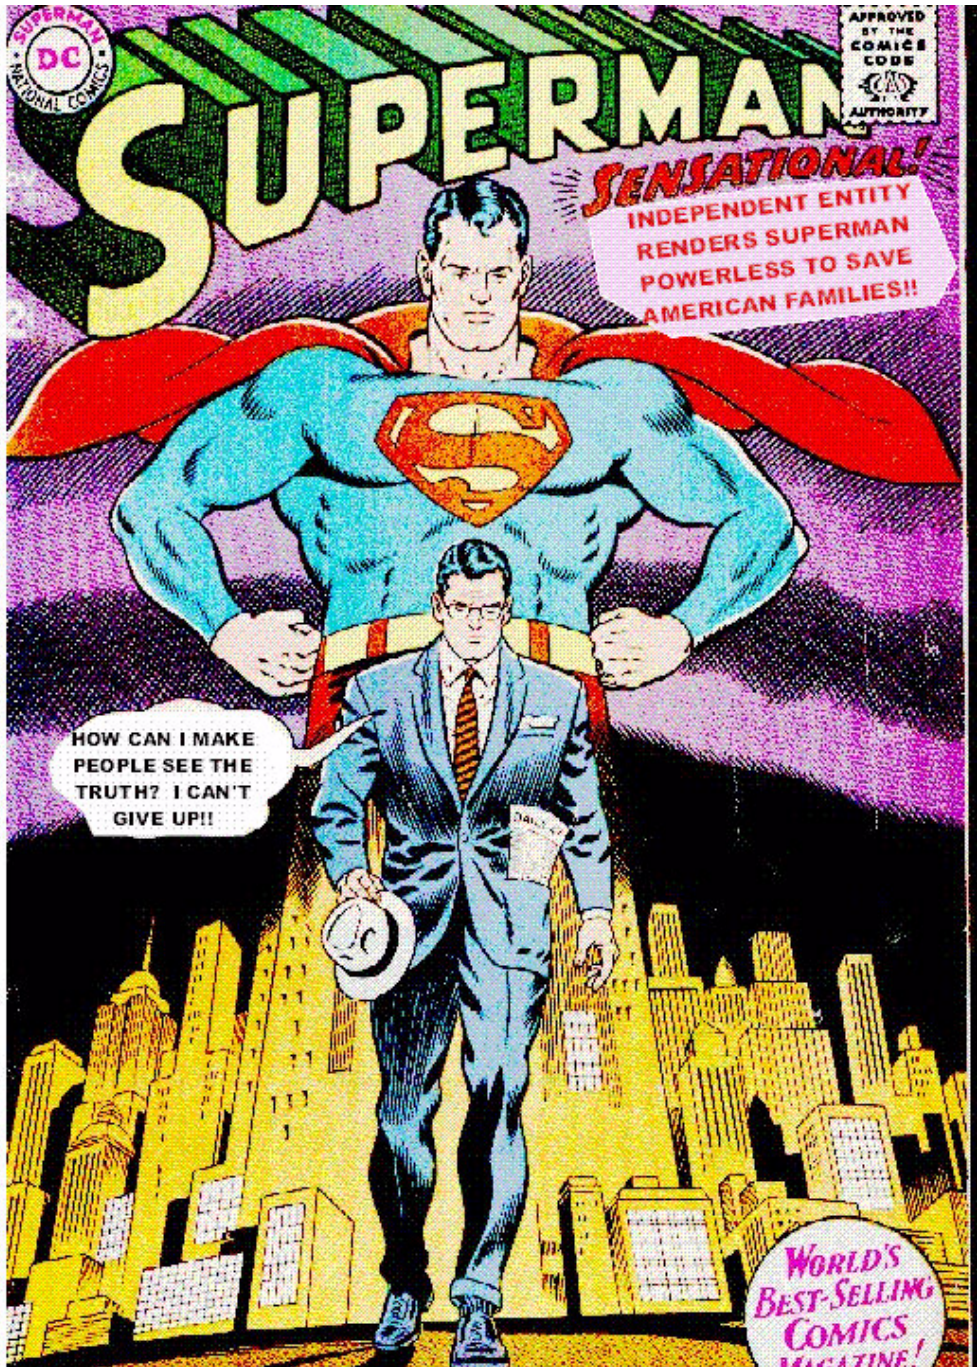

The seamy underbelly of the [INDEPENDENT ENTITY](#) has been exposed.

Turning a blind eye to the obvious is a form of aiding and abetting.

Defrauding the federal government is stealing money from the pocket of every taxpayer in the nation.

Superman demands: Get what you pay for, stop paying if you don't !!

NEVER IGNORE PROPHECY, HISTORY, OR HOLLYWOOD !!

Jim Unterschine, GZS of LB, 09-14-01

Is the fight for supremacy a bandwagon ??

Has the [INDEPENDENT ENTITY](#) choreographed the beginning of the end ??

Will **SUPERMAN** get the green light to stop this menace to society ??

Our nation is now reeling from an enemy within our gates. We have inadvertently provided the implements of our own destruction, and the means for them to be used against us.

Our nation was born from a need for independence and a desire for equality. The attainment of our goals has led us into temptation to desire more.

We must take measure of our mistakes, and establish a common ground that the rest of the world can proudly stand with us.

To unify church and state we must demand that we worship our children,

THE BEGINNING IS HERE.

WE HAVE DONE IT !!
SUPERMAN HAS DESTROYED THE CITY OF METROPOLIS !!
 HE IS THE SCAPEGOAT FOR OUR TERROR !!

EVERYTHING IS GOING ACCORDING TO OUR PLANS !!
 NOBODY WILL LISTEN TO HIS WARNINGS NOW
 WE HAVE WON !!

WHAT HAS **SUPERMAN** DONE ??
 THE **INDEPENDENT ENTITY** IS USING HIS SUPREMACY TO ANGER THOSE SEEKING EQUALITY !!
 WILL CALIFORNIA BE NEXT ON THE LIST ??

Jim Untershine, GZS of LB, 09-15-01

All's well that ends well. I guess we can all go home now.

Watch your back **SUPERMAN** !!

Implements of our own destruction still exist !!

The means for them to be used against us still exists !!

The [INDEPENDENT ENTITY](#) is guarding all the doors, and they are holding all the keys !!

Someone is going to have to go through them !!

[GZS](#) is scheduled to be "stuck inside" on March 14, 2002 !!

THIS TIME THEY KNOW WHAT THEY DO.
